## Scottish Roofing Contractor of the Year Awards

The National Federation of Roofing Contractors are delighted to present the inaugural Scottish Region NFRC's Scottish Roofing Contractor of the Year Awards.

The NFRC is the UK's largest roofing trade association representing over 60% of the roofing industry by value. By using a NFRC registered contractor you have the comfort of guaranteed protection and quality

This years' winners are a demonstration of our principles and members;

- NFRC actively ensures that our members offer high standards of workmanship and sound business practice through a strict code of practice and independent vetting procedure, including site inspections and adhering to the Government endorsed TrustMark standards.
- All NFRC trade members hold comprehensive insurance cover with insurance backed warranties available.
- Trained and reputable solar installation and heritage specialists roofers available.
- TrustMark is the nationwide Government backed scheme to help consumers find reputable tradesmen to carry out work

inside and outside their home. The National Federation of Roofing Contractors Limited is an approved scheme operator for TrustMark and together with the Government and other key bodies are working together to stamp out rogue traders in the roofing industry.

The National Federation of Roofing Contractors Limited is the UK's leading trade association for the roofing industry. Its Mission Statement is:

***To promote trade members to gain more work and through this achievement to help Associate members to sell more products and collectively to achieve quality installation.***
