

Reinforced Bituminous Membrane

Winners: Briggs Amasco

Project: Raigmore Hospital X-Ray Department

The winners task was to recover the roof of a building while it was fully operational in a busy department of the hospital. This was achieved within a tight schedule and to a high standard which made this the outstanding nomination.

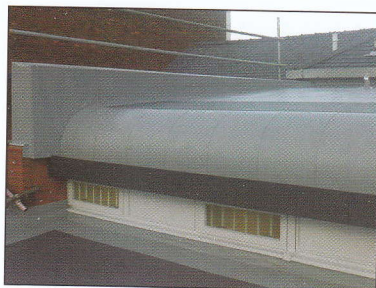

Shortlisted:

- Traditional Roofing - Kirklands House, Edinburgh.
- KM Contracts - Craighouse.

Single Ply

Winners: Graham Roofing

Project: Lloyds TSB, Blyth

SPONSORED BY

Not a lot to choose between the finalists, but Graham Roofing's level of detail in their application tipped the balance.

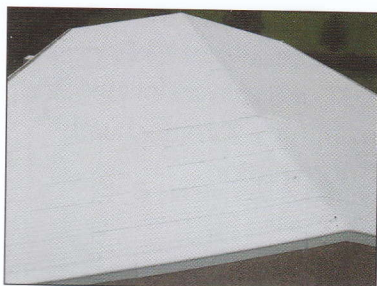

Shortlisted:

- Briggs Amasco - Bridge of Don Academy.
- Briggs Amasco - Riverbank PS, Aberdeen.

Liquid Applied Waterproofing

Winners: Miller Roofing

Project: Peebles High School

Miller Roofing overcame a number of very serious challenges in dealing with this roof and provided evidence of doing so.

Shortlisted:

- Graham Roofing - Oban.
- Traditional Roofing - Allermure Road.

Rewarding Achievement, Celebrating Success

Supply Chain Partner

Winners: Burton Roofing Merchants
Nominated by: Forster Roofing

Very strong submission where Forster's monitored and measured its Supply Chain partners over a number of years and its relationship with Burton Roofing Merchants measured a 98% success rate.
