Dear Tony,

Please find enclosed a certificate to recognise your achievements of reaching the finals of the NFRC Roofing Awards 2009. We received a very extensive list of entries involving many varied and detailed projects all completed to a very high competence level – my congratulations to you on making the final.

NFRC takes great credit from companies such as yours, and with your permission, we would like to use your photos in articles and PR activities throughout the year.

Thank you for your strong support and many congratulations once again. I hope you continue to support the Roofing awards in future years.

Sincerely
