For the attention of Mr. Dave Maginnis

Dear Dave,

Completion of Western Yards Building 3

We are very pleased to advise that we received formal completion of BY3 Section 1A from Native Land on the 19th December 2022.

We write to express our thanks and indeed those of the entire Multiplex team for you and your organisations' support and commitment to the Project.

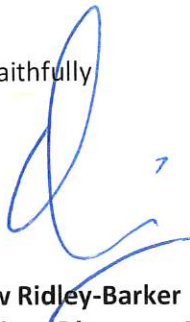

The Client is absolutely delighted with the quality of the building and the finished product.

Large complex Projects such as this, require teamwork, collaboration, determination and resolve to be successful and all parties involved in the Project over the past three years have demonstrated this very well.

We would be grateful if you could pass on our thanks and appreciation to all your team members who worked on Building 3.

Thank you.

Yours faithfully
